ABOUT US

Qualamp is one of the leading companies engaged in R&D, manufacturing and global marketing of office lightings and industrial lightings in Shenzhen, China. Since establishment in 2012, We has been devoting to providing professional services to global customers in the professional LED lighting industry, including research and production as well as LED lighting solution design. After 5 years hard working, now we have over 100 employees with 3000 square meters factory in Shenzhen. All of our products are CE certified and Rosh compliant, some of the products are UL/ETL, DLC, TUV, ErP, PSE, SAA or customer required.

QUALAMP means QUALITY LAMP, We provide quality lamps, our products and service have been highly recognized by customers all over the world. The vision of Qualamp is to decorate the world by offering excellent lamps at affordable prices to all consumers world-wide and to become a multi-national business group undertaken in the green lighting products.

10W/20W/30W/50W 70W/100W

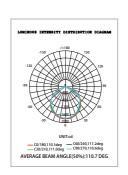

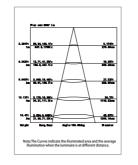

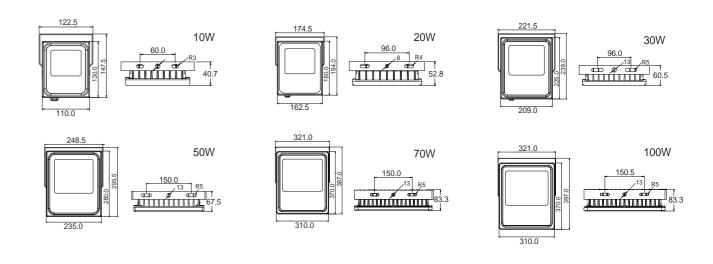

- Die-casting aluminum alloy lamp body, high toughened glass cover; solid and durable, corrosion-proof;
- High efficiency thermal management, LEDs and power supply work in low temperature, and high stability of continuous operating.
- Can on-off frequently, no flicker and glare; high CRI;
- Compact appearance, novel design, easy to install and transport.
